

STARTER 2023

6-29-3

Product type: Granular NPK blend

Chemical composition

| Component | Guaranteed Analysis |
|---|---------------------|
| Total Nitrogen(N) | 6%(min) |
| Total P ₂ O ₅ | 30%(min) |
| Available P ₂ O ₅ | 29%(min) |
| Soluble Potash(K ₂ O) | 3%(min) |
| Sulphur(S) | 5%(min) |
| Calcium (Ca) | 6.8% (min) |
| Magnesium (Mg) | 0.2%(min) |
| Iron (Fe) | 0.34% |
| Copper (Cu) | 0.00156% |
| Manganese (Mn) | 0.05% |
| Boron(B) | 0.14% |
| Zinc(Zn) | 0.78% |
| Organic matter | 7% |

Physical properties

| | |
|------------|---------------------------|
| Appearance | Granular |
| Density | 59.56 lb/ ft ³ |

Available sizes: 25 kg, 1000 kg

Introduction

Starter 2023 is useful for all commercial row or broadcast crops. It minimally contains 7% organic matter and up to 30% total phosphates that promotes vigorous root growth and build up soil. The formula not only assures essential NPK it also provides macro and micro-nutrients essential for plant growth attributed towards healthy root and microbial development. This specialized formulation is free from any fillers or dust.

Suggested application rates & method

General application rate: 65-100 lb per acre depending on soil fertility levels. Product is safe for “in furrow” application with zero chance of burning even at higher doses (up to 150 -200 lb per acre).

Use in accordance with recommendation of a qualified individual or institution or according to an approved nutrient management plan.

Hazard & Precautionary Statements

Caution: This fertilizer contains Boron and Zinc should be used only as recommended. It may prove harmful when misused.

Hazardous in case of skin contact (irritant), of eye contact (irritant), of ingestion, of inhalation. Thus, prevent repeated exposure. Wear protective gloves/protective clothing/eye protection.

Storage And Disposal

Wash hands after use. Store in cold dry place in original package. Keep in a cool dry place, out of reach of children, pets, and livestock. Dispose of contents in accordance with all applicable local, provincial, and federal regulations.
